Cammass Hall Farm is a family owned and family run business in beautiful countryside on the Hertfordshire/Essex border, in easy reach of London.

## Fruit Picking

We will provide a small punnet (holds approximately 300 grams) for each child to pick strawberries. Should you wish to pick any other fruit then we will need to weigh the filled punnets and charge the standard rate for that fruit. You are welcome to provide your own punnets/baskets for fruit picking but again these will be weighed prior to picking and each basket will be weighed on your return and charged at the standard rate for the fruit it contains.

**Children must be closely supervised at all times. Please ensure that the ratio of accompanying adults to children is appropriate for their age. We would suggest a minimum of one adult to four children.**

**Please remember this is a working farm and if it has been raining it will be muddy so you are advised to wear suitable clothing and footwear.**

**We can get very busy at the farm and therefore we will not be able to supply a designated member of staff to your party. If you have any questions or additional needs, ask now!**
